DIVERSION - Land and Revenue - Udipi Taluk - Puttur village - S.No. 227/1 etc. - Conversion into an Agricultural Settlement and Construction of buildings - Depressed Classes Mission - Further information - Furnished

Reference: B.P. Mis. 47, dated 6-1-1941. F 1144 (T)

F 1144 (T)

In B.P.Ms. 47 dated 6-1-1941, the Board sanctioned an extension of time for a further period of three years ending with 17-4-1943 for the complete allotment and conversion into an agricultural settlement of the extent of 18.92 acres of land in Puttur Village, Udipi Taluk, -- specified in G.O.No.752 Revenue, dated 16-4-1930, in favour of the -- "DEPRESSED CLASSES MISSION", Mangalore. I enclose a sketch and a statement showing the improvements effected on the land by the Mission. Enquiry shows that out of the extent alienated, an extent of 9 out 5 acres has yet to be improved upon. The Secretary, Depressed Classes Mission, Mangalore, who was asked to show cause against resuming the land for breach of conditions of the grant in spite of sanctioning extension of time, from time to time, reports that the lands could not be completely converted into an Agricultural Settlement for want of funds and owing to the reluctance of the Depressed classes, who are nomadic, to settle down. He, however, assures me that if exemption from assessment for a further period of three years is granted, the necessary -- improvements will be made and the alienated land completely brought -- under cultivation. The difficulty pointed out by the Secretary, Depressed Classes Mission, is real, and therefore, as a last chance, I recommend the grant to the Depressed Classes Mission, Mangalore, of a

further extension of time for a period of three years for the complete conversion of the land into an Agricultural Settlement and the exemption from assessment for a like period in respect of the lands alienated to the Mission.
